# Family Services

## HOW DOES IT HELP?

Our Family Services follows the Family Check-Up<sup>®</sup> model which is a brief, strengths-based intervention for families. The intervention aims to promote positive family management and address child and adolescent adjustment challenges. Family Services has two stages:

1. An initial assessment and feedback
2. Parent management training

## WHO IS ELIGIBLE?

- Reside in North Dakota
- Children ages 2-17
- Child displaying concerning behavior at home/school
  - Student on IEP
  - Truancy
- Be in the home of a parent/caregiver
- Not be in an open foster care program or under the custody of a public agency (Human service zone, Division of Juvenile Services, or Tribal Social Services); with the EXCEPTION of a pregnant or parenting youth.
